2023 JANUARY

Hello!

JANUARY '23

atriis

✓ **New Partner, Atriis Technologies**

Atriis Technologies, which has a presence in several markets in Europe, has been working with us since January, which will help us to increase NDC adoption. Atriis joins **the 39 aggregators** that offer Iberia's NDC content to agencies in more than 38 countries.

✓ **Success of the January special offer campaign**

We launched the campaign, which ran from 3 January until 19 January, exclusively in NDC and Iberia.com for the first 3 days, which has been a great success. During the first 7 days of the campaign the NDC adoption has been higher than 50%. The results of the last few days also indicate a great reception of the agencies in NDC and the exclusive advantages for them.
